2-Way Advanced Remote Start

2-way technology and a convenient display screen shows the last command performed using your remote transmitter (e.g. locked doors, remote start engaged, etc.) as well as important vehicle data, including remote start count down timer, tire pressures, fuel level, and odometer. This system offers greater operating range than the factory keyless entry system, and the transmitter can control a second Advanced Remote Start-equipped vehicle. *2-Way Advanced Remote Start not for use on Crew and Extended Cab models with Manual Transmission (TZ0) and RR Sliding Window (A48) or Regular Cab models with Manual Transmission (TZ0) and RR Window Defog (C49).
