HIGH DESERT BLENDS UTILITY AND REFINEMENT

The Silverado 1500 High Desert Edition (ZYD) stands out from the crowd, but its refined looks are only half the attraction – the exceptional flexibility of the storage system makes this truck unlike any other special edition.

ALL TRIMS

- Sport bar with sail panel
- • Lockable, water-resistant cargo system with cargo divider
- Lighted, dual side storage bins
- Three-piece hard tonneau cover
- All-weather floor liners (RIA)

LT

- Requires All-Star Package (PDU)
- 20-inch polished aluminum wheels¹ (RD4)
- 4-inch round chrome assist steps (VXJ)

LTZ

- Requires LTZ Plus Package (PDF)
- 6-inch chrome assist steps (BVQ)
- Heated and vented leather-appointed bucket seats (AN3 & KQV)
- 20-inch chrome wheels¹ (RD2)
- Wireless charging² (K4C)
- All-terrain tires (RC7)

HIGH COUNTRY

- Articulating assist steps (BRS)
- 20-inch chrome wheels¹ (NZJ)
- All-terrain tires (RC7)
- Magnetic Ride Control (Z95)

Offered for the first time on Silverado, the **Magnetic Ride Control** suspension senses road imperfections to help provide maximum comfort and ultimate control.

STORAGE SOLUTIONS:

The all-new flexible, lockable storage system in the High Desert Edition's cargo bed holds gear safely and protects it from the elements. ←

The system features dual side storage bins and a three-piece hard tonneau cover, which can also support 250 pounds³ of weight on top of it. Inside, a cargo divider can be raised to secure smaller items, or lowered to use the bed's full length. The lighted, side storage bins are easy to reach, day or night.

¹ Use only GM tire and wheel combinations. See chevrolet.com/accessories for important tire and wheel information. ² Some devices may require adaptor or back cover. The system wirelessly charges one PMA- or Qi-compatible mobile device. To check for phone or other device compatibility, see my.chevrolet.com/learn. ³ Cargo and load capacity limited by weight and distribution.
